## FROM OUR TEAM

“Everything was perfectly organised for us and we are loving it here, the job is perfect & a great company to work for.”

-Darren, Panel Beater

“Repairhub gives you more than just the opportunity to work for them but an opportunity to live in Australia backed by one of the biggest leaders in the industry.”

-Kane, Spray Painter

“I've been here a year now and I've progressed within the company in this time, proving they care about your growth within the company & the pay is very attractive too.”

-Ian, MET Tech

“The lifestyle is unmatched with the amazing weather, beautiful beaches and cities and the most friendly people I have met.”

-Josh, Spray Painter

“Don't look back in 10 years and wonder what if? Give it a go and find out for yourself.”

-Paul, Spray Painter

# THE OPPORTUNITY

Repairhub is an accredited sponsor offering Skills in Demand visas (482) for Spray Painters, Panel Beaters, and Mechanics (MET).

This is a 4-year renewable visa, with potential for Permanent Residency after just 2 years! (subject to eligibility)

The full visa costs are covered by Repairhub for you and your immediate family - plus a generous relocation package (totally approx. 10K AUD) including the following:

- 1 month accommodation and car hire
- Airport transfer
- Flight reimbursement up to \$2500
- Tools of the trade & uniform
- Arrival tools & info to settle into Aus
- Ongoing support from our Careers team

# VISA CRITERIA

Our Talent Team will guide you through the Visa process. General 482 Visa Requirements:

## Experience:

- 3 years full-time in your trade within the last 5 years, or
- 5 years experience without formal qualifications
- Panel and MET skills assessment may be required for non-British passport holders

## Health & Character:

- Police checks for countries lived in >6 months
- Medical questionnaire and possible medical exam

## Evidence:

- Proof of employment and skills

## Language:

- English test for non-British passport holders

## Additional (if applicable):

- De facto partner evidence

Our migration partner may request additional documents as needed.
